

Yay!

I am turning sixty on March 4th, 2019. And I want to celebrate like crazy. Therefore I would like to invite you to my party on Saturday, March 9th, starting 6 pm at the Brakula in Hamburg, Bramfeld. I am looking forward to making and listening to music with you (singing along is allowed), as well as talking, drinking, eating and dancing. There will be lots of live music and of course some canned music inbetween and afterwards.

Please refrain from buying presents, but instead feed the piggy bank that will be passed around in order to give the musicians a little reward for their efforts in getting us into the party mood. Also, it would be great if everyone who felt like it brought something tasty to eat, so we can set up a delicious buffet and no one has to starve. Drinks will be available in sufficient quantity. Hopefully!

I am freuing me so doll!

The musical line-up for the night consists of Tante Tofu (mitNichten), Chato Segerer, Christian Frerichs and my vocal coach Mirja Rothschädl for now. If anyone would like to contribute to the music program: YES! Please let me know and I will happily add you to the program.

Further info (Who? What? Where?) and updates can be found on my website http://www.parachute-mind.net/2019/20190309_60.html

Please tell me, ~~if~~ that you will be there and if you will be bringing something to eat.

Cheers and hope to see you soon,
Stevie
